My Profile.

I am a young and dedicated web developer with experience in various programming languages such as HTML, CSS, JavaScript and PHP. I possess strong problem-solving skills and can work effectively in a team environment. I constantly seek to improve my skills and stay up-to-date with the latest web development technologies. I am eager to apply my knowledge and experience to contribute to the success of a dynamic and innovative company.

<This is/> My Work Experience

September 2020 - Present

Junior Web Developer

BenSenO, Turkey - Istanbul

I am currently working as a young web developer at BenSenO company, where I am using the skills and knowledge I acquired during my studies in computer programming and management information systems to create and maintain websites. I am a part of a dynamic team that is working on various projects.

September 2019 - August 2020

Intern

BenSenO, Turkey - Istanbul

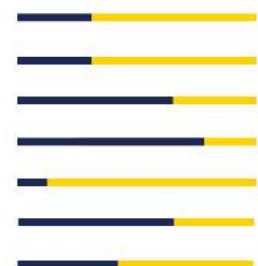

I did an internship at BenSenO company where I gained valuable experience in the field of Web. I had the opportunity to work on real-world projects and collaborate with experienced professionals. This has helped me apply the knowledge and skills I have gained in my studies to practical scenarios and has given me a deeper understanding of the industry.
